

## Once You've Tasted Love

Take That

Love, Once you've tasted love  
Love, Once you've tasted love  
Love, Once you've tasted love  
Love, Once you've tasted love

Don't be sold a dream. Remember how the past has been  
Don't be led to believe thias one's for you  
Calculate your needs. I see there's room to plant your seeds  
Don't decide till you see how the others have grown

Once you've tasted love it is just the beggining of a new world

Once you've tasted love there's no way you can give in  
Once you've tasted love

Still too early to know. Give them time and they will grow  
Don't believe that the first's the one for you  
Most will grow to be tall, others will break and fall  
Keep your eye on the strongest head of them all

Once you've tasted love it is just the beggining of a new world

Once you've tasted love it is just the beggining  
Your head is spinning  
Once you've tasted love

Once you've tasted love it is just the beggining of a new world

Once you've tasted love there's no way you can give in  
Can't control your mind and your head is still spinning  
Once you've tasted love is just the beggining  
Once you've tasted love

Once you've tasted love, you know is good  
Come taste my love  
You know you should

Came into my world and the badness dissapeared  
Take my hand, don't be afraid, I'm gonna work off all your fear  
s  
It feels so nice to be with you. Us two, we fit like a glove  
When I see your eyes I realize you too have tasted love

Once you've tasted love, you know it's good  
Come taste my love  
You know you should
