

Crypto

Takeoff

Yeah, we still having this shit
(DJ Durel)
And I ain't glorifying it either

Let's go
She want the info (She do)
I wanna talk about crypto
I'm tryin leave the boy bloody (Ooh)
Like 'Bron when he threw the elbow ('Bron)
Streets sticky, cup muddy (Mud)
Closet looking like Rodeo (Come look)
Twenty chickens in the kitchen (They all bad)
It was just me and Rockedo (Let's get it)

He missing, sent him on a mission (Mission)
My fingers itching cause of benjis (Itchin')
Ain't poured up dirty in a minute (Drank)
Don't worry about it, mind ya business
The fuck is you Serving OGs like it's Wendy's (OG)
I'm in they mouth, no dentist (Dr Lee)
Give a fuck about an image (A what?)
When we see them boys, we scrimmage (Run!)
Big bite bussin' (Damn)
Big bite bussing, that's cold (That's froze)
Eeny, meeny, miny, which hoe? (Which one?)
Which floor did the pretty bitch go? (Where?)
I got some but I really want mo'
Any weather I'ma shine, any weather I'ma glow (It don't matter I'ma shine)
We run the globe, step on that boat without using my toes
How you do that?

I wanna talk about crypto get millis
Shoutout my shotta like big up to Skilli
A check on me now but I'm chasing a billy
Bank account bussing, I'm rich like really (Beatin')
Step back, my diamonds they biting
New baguettes in the ring, they fighting
Yeah, bitch, I dropped 500 thou' on an Audemars wrist
But I still can't buy the bitch a first class flight
I'ma pop a blue pill, I'ma fuck her all night
Off the X, I'm bussing, it's aight
Put a thumb in her booty because that what she like

Bad ass kid like Dennis The Menace
Open her mouth, on her face I'ma finish
Stay In the lab, I'm a mother fucking chemist
She flip on the dick, she a mother fucking gymnast
Eeny, miny, moe which hoe? (Which hoe?)
I know the baddest, damn three in a row (In a row)
I X them out like tic-tac-toe (Tac-toe)
She ain't bad, then her friend can go
I told the bitch she can learn from me
Let me hit from the back, go turn for me
She want the info (Info)
I treat the bitch like a rental (Rental)
Wallet is filled up with crypto

Let's go
She want the info (She do)
I wanna talk about crypto
