

# Run To The Water

Takida

The thoughts belong to someone  
It's not me it in  
I will forgive you, my heart  
Cause I don't care

Our passion's gone for a long time  
I had my arm  
But I didn't want that  
And you don't care

No one see the way home  
It's a dead end to the right  
On the left side it's you and I  
Come on, don't care

Run to the water  
Give into the hollow  
Take place in the water  
Don't be scared  
Don't be scared

Here's a hope and tomorrows  
There's no more day by day  
I still love you, my heart  
But I don't care

We build out house of sorrow  
All the colors will fade to grey  
I've been dying so long  
And you don't care

Sacred path is long gone  
A time of needless fights  
Make sure that we don't think twice  
Come on, let's go

Run to the water  
Give into the hollow  
Take place in the water  
Don't be scared  
Don't be scared

It's not to each other  
Together forever  
We're not like the others  
We don't care  
We don't care

We moved in on a cloudy day  
The rain killed the pain

Run to the water  
Give into the hollow  
Take place in the water  
Don't be scared  
Don't be scared

It's not to each other  
Together forever  
We're not like the others  
We don't care  
We don't care
