

Beat Up Car

Taking Back Sunday

You can lie to those white coats
But you can't lie to me
There's a difference between
What you want, what you need
Over the rainbow with no end in sight
A rest easy stockpile
The rest of your life in plain sight
That just don't feel right

So if you're interested
I'll take you anywhere
I'll buy some beat up car, we could get out of here
I'll take you anywhere that you want to go
I'll take you anywhere that you want to go
I'll take you anywhere if you want to go

I could lie to most anyone
But I can't lie to you
Stalled at the gates and that simply won't do
Under artificial light I drink myself blind
I won't watch you kill yourself
(Won't watch you kill yourself)
Or leave you here to rot to death of loneliness

So if you're interested
I'll take you anywhere
I'll buy some beat up car, we could get out of here
I'll take you anywhere that you want to go
I'll take you anywhere that you want to go
I'll take you anywhere if you want to go

(If you want to go?)

A dotted line you'll sign for me
We'll get to work we'll work for cheap
We'll work for us we'll work for free
Pray for job security, show them how it feels to be
Together to admit defeat
To revel in the irony
Some place we can be ourself
We won't watch you kill yourself
Or leave you here to rot to death

So if you're interested
I'll take you anywhere
I'll buy some beat up car, we could get out of here
I'll take you anywhere that you want to go
I'll take you anywhere that you want to go

So if you're interested
I'll take you anywhere
I'll buy some beat up car, we could get out of here
Some place we can be ourself
We won't watch you kill yourself
Or leave you here to rot to death and all of this
I'll take you anywhere that you want to go
(Somewhere you can be yourself)

I'll take you anywhere that you want to go
(I won't watch you kill yourself)
I'll take you anywhere that you want to go
