

Keep Going

Taking Back Sunday

You could forget about the devil
But the devil won't forget about you
Because you're winning
That don't mean you've got nothing to lose
I saw you walking down Lennox
Real human teeth
With a mouth full of promise
And no guarantees

You say it's all over now
Call it blood under the bridge
You say what's done is done
You don't know what you did
You say it's all over now
Call it blood under the bridge
I know what you did

Long past, Summer on my teeth
Long since you meant everything to me
Nobody knows the trouble I've seen
Nobody knows the trouble you've been

I've got no reason to be here
I'm just trying to tell you the truth
Preaching to the choir never felt so fucking good
You said it's all over now
Call it blood under the bridge
The problem isn't that I've changed
The problem isn't that I've changed
The problem is that you've stayed the same
The problem is that you've stayed the same

You boot stomping
Blood letting
Son of a bitch
I know what you're doing
I know what you did

Long past, Summer on my teeth
Long since you meant everything to me
Nobody knows the trouble I've seen
Nobody knows the trouble you've been

The problem isn't that I've changed
The problem is that you've stayed the same

Long past, Summer on my teeth
Long since you meant everything to me
Nobody knows the trouble you've seen
Nobody knows the trouble you've been

The problem isn't that I've changed
The problem is that you've stayed the same
The problem isn't that I've changed
The problem is that you've stayed the same
