

# Since You're Gone

Taking Back Sunday

Since You're Gone  
Since you're gone  
I don't go out  
Lie in the house  
Yeah and since you're gone  
the days and nights are long.  
Oh this is nothing like I've pictured  
forgot what it was like to miss you.  
There's no one to take for granted  
now you're gone.  
I'm sorry  
I'm sorry  
Come back  
Come back  
Oh I don't know what I'm supposed to do with myself  
Come back  
Come back  
Come back  
Since you're gone  
I like the house  
I keep the curtains closed.  
And since you're gone  
I don't do much of anything at all.  
Oh this is nothing like I've pictured  
forgot what it was like to miss you.  
There's no one to take for granted  
now you're gone.  
I'm sorry  
I'm sorry  
Come back  
Come back  
Oh I don't know what I'm supposed to do with myself  
Come back  
Come back

Oh no, I've forgotten what it's like to miss you.  
Oh, oh no, I didn't know  
this will be nothing like I pictured.  
Oh, oh no, I've forgotten what it's like to miss you.  
Oh, oh no, oh, oh no.  
I'm sorry  
I'm sorry  
Come back  
Come back  
Oh I don't know what I'm supposed to do with myself  
Come back  
Come back  
Come back  
Why can't I learn to?  
Why can't I let you?  
Why can't I let you, let you go?  
Come back
