

The One

Taking Back Sunday

I took my time, I held my tongue
Knew all along that you were the one
That you were the one

Put me at ease, brought out my best
I let you in, ignored the mess
And you didn't mind, so I didn't mind
Because you were the one

Oh, I'm better off for betting
I'd be better off forgetting
Go big, or go home
If I was the one
Like you're my one
You are the one
You are the one
The one

Now I'm close enough to reach you
All the walls that I could see through
Still the words that I can't say go on and on and on

So now I'm giving you that little bit
Of time you said you needed then
Because you're the one

Oh, I'm better off for betting
I'd be better off forgetting
Go big, or go home
If I was the one
Like you're my one
You are the one
You are the one

Now I'm close enough to reach you
All the walls that I could see through
Still the words that I can't say go on and on and on

If I was the one
Like you're my one
You are the one
You are the one
