

## Strong Enough

Tal Bachman

And if you could, you'd climb atop  
The Eiffel Tower now, wouldn't you?  
You'd stare at the sun, or lay yourself  
Down six feet under, wouldn't you?

You would, wouldn't you?

And if you could, you'd tie me up  
And make me yours now, wouldn't you?  
Oh wouldn't you?

Are you strong enough to love me?  
Are you lost in love or crazy?  
Are you strong enough  
Strong enough to love me?

And if you could, you'd walk through fire  
On tightrope wire now, wouldn't you?  
You'd fly up across the sky  
Just to prove your point now, wouldn't you?  
Yeah, yeah, wouldn't you?

Are you strong enough to love me?  
Are you lost in love or crazy?  
Are you wrong enough  
Strong enough to love me?  
Yea yea

You'd take me in hand  
Higher and higher, overland  
But I'd slip through the cracks  
And higher and higher take you back

Are you strong enough, strong enough to love me?  
And if you could, you'd tie me up  
And make me yours now, wouldn't you?  
Now, wouldn't you?

You'd tie me up  
Are you strong enough to love me?  
Are you lost in love or crazy? yea yea

Are you wrong enough, strong enough to love me?  
Are you strong enough to love me?
