

Crazy, Maybe

Talha Anjum

If I had ten thousand tongues
I couldn't tell all that the Lord has done for me
So I'll keep on singing praise

Yeah
Dil sukoon mangta hai
Hunar junoon mangta hai
Mein mangta hoon yaar jis mein bhai mile
Mera shehar uska khoon mangta hai
Dil karar mangta hai
Zehani qaid se farar mangta hai
Yaar tou bas aitebar mangta hai
Lajawab kar chuka hoon
Sab hawas baakhta hain
Ye khaar kha rahe hain inko hazam nahi asliyat
A product of jealousy envy inki waldiyat
Lately I've been feeling urdu rap meri malkiyat
Yahi meri mashook, isi mein hi masroofiyat
Is ke bahar khas zindagi nahi bachi
Mujhpe kisne yahan saazishen nahi rachi
Itni be-dili ka kia karoge
Kab tak bheed mein tanha rahoge
Kab khudse sulah karoge
Kabhi khush raha karoge
Dekho kitne maddah khare hain
Kis kis ko ruswa karoge
Ya khudko tabah karoge
Kitne dil fatah kia hain
Mitti mein mila ke rahoge

Kabhi easy kabhi act crazy
Raatein faded mere din hazy
Zimmedar hoon for what I made me
Kehti "Call me", I said "Maybe"
Kehti "Call me", I said "Maybe"
Kehti "Call me", I said "Maybe"
Zimmedar hoon for what I made me
Kehti "Call me", I said "Maybe"
Kabhi easy kabhi act crazy
Raatein faded mere din hazy
Zimmedar hoon for what I made me
Kehti "Call me", I said "Maybe"

Happy or Sad?
Sad
It'll break your heart
Already broken

Dil ko sukoon nahi mila
Koi karigiri koi fanoon nahi mila
Mera sach, duniya se chupa reh gaya
Mere sach ko tou zuhoor nahi mila
Par sach ko kar qubool
Mein ek king, tu ek king's fool
My homies laugh at you aur hum bhool jayein
Mein alag school of thoughts se hoon ye tu bhool rah hai
Bullseye, never hit it off target

Maare bare maarke
Khud set ki hai market
Most streamed artists
Mein brag karta lagti sabko aag
Ye lafz jese machis, ye beatein sari aatish
And then comes a plot twist
Ghusein tere ghar mein
Shoot you in the head
See your thoughts on the carpet
We Mobb Deep
Deeper than your average
Use a walkie talkie just to get a beverage
Mere aasteen mein saanp the, they had to go
Noton ki moti gadiyan, I can't even fold
Larke samjhate ye meri peak (Nahi Nahi)
Larke strategies banate weak (Yeah Yeah)
Larke har qadam pe mujhse peeche
Apne gaano pe khud lagte featured
Not sorry for the misdemeanor, I mean it
Not sorry for the misdemeanor, I mean it

Kabhi easy kabhi act crazy
Raatein faded mere din hazy
Zimmedar hoon for what I made me
Kehti "Call me", I said "Maybe"
Kehti "Call me", I said "Maybe"
Kehti "Call me", I said "Maybe"
Zimmedar hoon for what I made me
Kehti "Call me", I said "Maybe"
