

Don't Mind

Talha Anjum

Zamana jalay, likhu jab bhi ganay mai
Han mana baray tere bhi deewanay hain
Hum gulshan mai kharay unhe gulistan tou anay de
Shayad phir ek aur mulaqaaat issi bahane se
Shayarana, ye baaten meri shayarana
Fayda nai, mai dekhu apna fayda na
Mehnat jati raigan na baby par ma Tyga na
Bygones tou bygones aaj torunga koi qaida na
I like the way she moves, makes my mind boggle
Tu hi jese groove, tujhe dia saara time pagal
Melodies hum bhool jatay karna tum rewind zara
Baby mujhe line derahi, mai hi kehraha mind na kar
Aur jaam TūTeñge is sharāb-ḵhāne meñ
Mausamoñ ke aane meñ mausamoñ ke jaane meñ
Har dhaḍakte patthar ko log dil samajhte haiñ
Umreñ biit jaatī haiñ dil ko dil banāne meñ

Socha likhunga aaj aur nahi
Mai tere pass jab koi aur nahi
We can do it all night
Scars on my neck and I don't mind
I don't mind, I don't mind
It's all about the patience girl I'm cruisin in my own lane
Own lane, own lane
Mai tere pass jab koi aur nahiii

Wo noor ya koi hoor nai hai
Wo nazaro se bhi dur nai hai
Tere liye dedu jaan apni jaaneman
Lekin bolu ga mein jhoot nai
Baby ye guroor nai
Sach ka saboot nai
Sach tou aik darya hai
Darya mein kood nai doob nai
All the cameras at me jab ke mera shoot nai
Bas apni keh mujhse mere baare puch nai
Chadd de, bahanay tu bananay chad de
Tu pichay saaday ana chad de
Tu dil nu veerana chad de
Aye aye
Teinu pata meri hype da
Jaddo ava'n kara mic drop
Yaadein aur iraaday bashamool saaray waaday
Mein ne mix kar ke piye in my red cup bye love

Socha likhunga aaj aur nahi
Mai tere pass jab koi aur nahi
We can do it all night
Scars on my neck and I don't mind
I don't mind, I don't mind
It's all about the patience girl I'm cruisin in my own lane
Own lane, own lane
Mai tere pass jab koi aur nahiii

Tu behti dariya si, teri behki baaton mein beh gaye jo
Kehkashaan si tere kya hi kehna hum kaghazon pe sab keh gaye wo
Mast nazron kay sitam bemisaal

Drunk off your love jaisay liquor pe behaal
Ghaur o fikr ney kar dia nazam-nigar
Tere zikar mein ghoomti hai kalam kamaal, eh
Shehr e dil mein lagay hein tere billboard
Galliyon mein chalti hai teri wali lingo
I got 99 problems
Honday oday ch plus tere nakhray ney tin so
Das ni girl can you get into action
Kush pe kush kay ye tarz bana fashion
Mehez hum theek apkay hi paas hain
Boy playboy nai bas ashiq mizaaj hai

Socha likhunga aaj aur nahi
Mai tere pass jab koi aur nahi
We can do it all night
Scars on my neck and I don't mind
I don't mind, I don't mind
It's all about the patience girl I'm cruisin in my own lane
Own lane, own lane
Mai tere pass jab koi aur nahiii
