Kya kiye the sawal tumne?
Kya dekhe nahi zawaal tumne?
Tum puchte tou rahe boht kuch
Par puche nahi humse kabhi haal tumne (Kyun?)
Tum raat kis ghum may rahi ho?
Subah uthke banaye nahi baal tumne
Tum karte nahi solah singhaar ab koi
Lekin phir bhi kiye bade he kamaal tumne
Rab puchega mujhse jou Roz-e-Mehshar
Kya kiya iss duniya may barson reh kar?
Main kaise kahunga "Ek umar hai guzaari"
"Tujhko likhte rahe sub kuch seh kar"
Ab karte guzaarish moudbana
Tum humse naa phir yun lau lagana
Kabhi dil-lagi may sub kuch bataa dein
Kabhi be-dili may sirf muskurana aur

Meri raaton ki chandni
Sitaaron may he uljhi rehti
Farash pe bhi aa kabhi (Aa kabhi)
Meri duniya ko roshan kare
Meri raaton ki chandni (Chandni)
Iss andheri si duniya may tu he shama meri aakhri (Aakhri)
Meri duniya ko roshan kare meri raaton ki chandni

Kya diya hai jawab tumne? (What?)
Yeh nahi tha sawal tumse (Nahi nahi)
Tum se kiye the urooj ke sawal
Kyun jawaban diye hain yeh zawal tumne? (Yeah, yeah)
Log aate mere lafz yaad karke (Facts)
Log aate mere haath choomne (Facts)
Main khudko dekhun TV pe aur billboard pe
Jab jaaun yaaron ke saath bahar ghoomne (Haha!)
Par mudde ki yeh baat he nahi hai janam (Nahi)
Kabhi khushi, kabhi zindagi matam (Yeah, yeah)
Ek main, ek tum, aur hain ek hazaar ghum (Yeah)
So I smoke trees jaan, maarun ek hazaar dum
Par tere bina woh andhera he hai
Tu kiran aaftab ki sawera he hai (Yeah)
Kehna tumse bus yehi tha ke Jaan-e-Mann
Ab mujhe tumse kuch kehna nahi hai

Meri raaton ki chandni
Sitaaron may he uljhi rehti
Farash pe bhi aa kabhi
Meri duniya ko roshan kare
Meri raaton ki chandni
Iss andheri si duniya may tu he shama meri aakhri
Meri duniya ko roshan kare meri raaton ki chandni
