

# Quarantine

Talha Anjum

Yeah

This that dollar-sign shit

Young stunners

Delhi se Karachi

Ya bajay ga galli ke naakay pe

Ye bajay ga tere ilaaqay mein

Ye bajta rahay ga jab paray ga raid aur launday defaulter bhaagein ge

Hum ulu hain raatein bhi jaagein ge

Hum wise hain, beta hum ys hain

Tu real hai tou hum bhi nice hain

Tu real nai tou hum bhi chauhray mein

Jo asli nai mere lauray pe, thoray se beef se khabree joh ho rahay thay

Aankhein khol ke ye sab rappers so rahay thay, baatein chodne se bachay nai hotay abay

K on my chest

K on my chest

Hum desi hip hop ke nashay mein

We rap and get cheques, k on my chest

Media ke laanjo se bachay way

Dil mein sab rakh ke ye mic pe phattein ge

Syllabus ki tarah syllables rattein ge

I am magical beta qalam mein jaadu hai

Rukta nai beta ye qalam be qaabu hai

Khud ka nai tera ye jinno'n ki aamad hai

Kuch dino mein phir sabki shaamat hai

Ye hamakatein tere ikhtimaam ki wazeh alaamat hai

You know, you know, you know

Mere saath kitnay saal se Talhah Yunus

8x scope jaisa focused bro mein tou mere lil homies se bhi inspired hu

Rough childhood lekin bhai life's good

Studio he ghar, charsein aur fast food

Chauvi ghanay ready motherfucker lets do it

Jab mein tere jaisa nai tu mere jaisa kyun hai

Maaray tu ne misfire abhi tera round khaali

Tere sar, paer, vibe, hype pura sound jaali

Tu kaambhaari nai tera kaam bhaari nai

Jitnay mere kharchay teri aamdani nai

Tere naam hoga lekin kaam milay nai

Kis kaam ka wo naam jiska daam lagay nai

Tere saath walay tere saath lekin tery saggay nai motherfucker, you know

Lafz jese niklay khazanay se

Sach k paimanon se pee raha pani sirf

Qaabil nahi dunya ye, phir bhi hum haaray nahi, laya gawah bhi mai, ye tou g awwar hain be andhon mai kaanay hain

Beaton pe public nacha rahe, ye kehte macha rahey, abay chup hum ujaalay

Tum sirf kaalay, mere gaanay sunne walay janay, jani ye kalla hai

Hum jaahil nai bhai, time dia bhai

Grind kiya, tera time gaya, karun mai rewind kia?

Karun phir se tight kia?

Teri height se tou meri ziada hype yaar

Borderpaar se bhi mile pyaar, alfaaaz se den nightmares

Sleep tight, karun reply

I'm a beast bhai, showin peace signs

Look at me boy, still reppin streets like

Dawood bhai, never do it for the clout ay

G Style!

Wo taaray sahi, jo maanay nahi, hum haaray nahi  
Woh kehte thay music mai paisa nai par hum kama rae  
Show baja rae, mil ke kharae, tum nakalay  
Sympathy pe ye kama rahe  
Ae khuda mujhe bacha le... ye kalla meri gawah hai  
Ye bata de kon naya hai, mere dushmanon ki raye  
Lenay walay bhi gumraah hain

Munaafiqon ki izzat apne myaashray mai kahan hain?

Ye fraud banne chale god  
Socha aaj in ka waqt badal dunga  
Haqq badal dun, sab badal dun  
Lene pe ata tou baaalon k mai rang badal du  
Lund pe char bolun mai tera humshakal ko  
Kam aqal pehle ye flow pakar tu, chote warqu  
Kalamkaar ye bars mere alumnaak  
Sarhad paar bhi waaqif awaam jani, khabar daar  
Big L jese always been a foul child  
Better bow down, I'm so high now  
Meri waali vibe laao, mai hu icloud wala, betha cloud 9  
Jab bhi mera verse bajay keep the music loud man!  
Do hazaar bees, jokhay on the beat,, lemme preach  
I still eat rappers jese rajay ko zaruri jeet  
Pehle seeekh chotay phir aana tu beat pe  
Baaten gehri jese khandak, reference deep ye  
Talha tu theek hai...

Cheeni kum, cheeni kum  
Mujhe to meetha pasand nahi  
Kr\$na ke naam se sade ye  
Jaise in salon ko geeta pasand nahi  
Jalti hai inki ha subah  
Toh bbole ye humko to teekha pasand nahi  
I got these rappers so salty lagta hai  
Mujhko ab feeka pasand nahi (ey)  
They don't want to fuck with the boy  
Aayi meri wave to wo sub ko duboy  
Mere enemies mere sapno me roye, saare naram hai galauti, jaise lucknow me h  
oye  
Karachi se dilli, ye tofa hai  
Befazool ungli karte jaise N.O.T.A hai  
Chen ni milta, tu itna kyun rota hai?  
Suna teri jaat ka hota hi chota hai  
Y.S - dollar sign, combined hai columbine...  
Yahan na hai borderline, jub saath hai all our kind  
I'm grinding' all the time, aur life hai on the line  
Corona ho ya swine, me toh karoo quarantine  
Yea I got the 9, n I'm ready for the retake  
Janamdin ho roz coz I just wanna see cake  
Mere liye ek hi Calvin, wo hai broadus  
No ck  
Already legendary, karoon weapon carry, jaise military, me to aake inhe maut  
du  
Always secondary, tu hai dead and berried, seedha cemetery jaake fatafat ab  
pahaunch tu  
Pad hai sanitary, tere liye necessary, jaise ventenary, mere aage bhauk tu  
Mere adversary, jaante me toh rehta weary, shit is scary agar aake kaare mer  
e door pe knock tu  
Best in the game aur isme do rai ni, apni baatein mene ab tak dohrayi ni  
Ghori banaya par mene daurai ni, mera toh haarne ka kabhi daaur aaye ni  
Samajh ni aaye mere lavz, but I don't give a shit, jaise hua mujhe kabz

Ye studio gangsters, sirf mic pe hai tough, aaya fight dene inhe, on site pe  
bhi rough
