

Rooh

Talha Anjum

Tu...
Kehndi sun le bathere ve main jhoothi laare tere raaje
Yaar, tu...
Naale mor chali tohfe jehre tainu mainne ditte heeriye
Tu...
Chadd jaa, chadd naa
Saukha tere vaaste
Soniye, tu...
Billo yaar rakhi aapa kehre tere picche mar chale
Aje vi tere yaad aaye, dildaar
Ve kinne tere baad aaye tu
Jadon di main ton ruske gayi rooh
Tu dil vicchon kaddh lai gayi
Na mile mainun apnaa pataa
Na jag te aitbaar aane tu
Jadon di main ton ruske gayi rooh
Tu dil vicchon kaddh lai gayi

Main jo na huua vo zikar
Main na tha vahaan vo jidhar
Mulaaqaatein sab mukhtasar, si, kyon?
Ham vaqt ke vo do pahar
Jo milke bhi milte nahin
Ham ek doosre se khafa
Par karte gile bhi

Nahin nahin nahin
Murde mein taaqat aur tujhmein sadaaqat
Nahin nahin nahin
Jahaan se chorha tha tu ne main to ab bhi
Vahin vahin vahin
Vahin kahin agar nahin toh socho main raha hi nahin
Tere shehr mein ab mera ghar nahin (na na)

Main jaise bhatakti rooh
Yahaan se vahaan phiroon
Haathon mein warq-ul-shaam aur
Baatein main khud se karoon
Vo kehte hain main peeta hoon kyon (kyon?)
Kyon karta khud ko barbaad?
Main kehta main peeta hoon yoon ke aaye na phir uski yaad
Ek uske aane se pehle (aur)
Ek uske jaane ke baad (aur)
Ek nasha charhne se pehle (aur)
Aur ek utarne ke baad (yeah)
Suna afsaanon mein ke aasmaanon mein bante hain jode sabhi (what)
Aur kare na yaar jo vaada khilaafi toh ham bhi na tode kabhi (yeah)
I don't know (no)
Out of sight out of mind main (out of mind main)
I don't know
Kyon khainchoon chitto ki line main (yeah yeah)
I don't know
Jitni cute utni mean bhi (mean bhi)
I don't know
Jitni jhoothi tu utni haseen bhi

Aje vi tere yaad aaye, dildaar

Ve kinne tere baad aaye tu
Jadon di main ton ruske gayi rooh
Tu dil vicchon kaddh lai gayi
Na mile mainun apnaa pataa
Na jag te aitbaar aane tu
Jadon di main ton ruske gayi rooh
Tu dil vicchon kaddh lai gayi
