

WISH 2 DIE FREESTYLE

Talha Anjum

(Will all who wish to die please raise their hands)

36 launday saath shooter sab brutal sab bullter
Kuch coked up matha shaart sar upar
36 launday saath shooter aur gaariyo mein hooter
Gimme the loot
Bitch it's a robbery
Baatein chodne se hogayi nai barabari
Karachi ko Toronto kar tou mein tou Aubrey
I don't go soft on you, you don't go soft on me
You go fuck any bitch you want boy don't don't fuck with me
Ye karachi hai the legacy is stuck with me
Late night album sessions, Umair was up with me
This shit is not a joke still kinda funny to me
He's cooking dope shit
Mein kehta run it to me
Ye likhayi bemisaal lete fans haath choom
Mein center of attention they're elephant in the room
I'm the king
Mere pass aur koi choice nai hai
Mere boys jaise tere walay boys nai hain
Mera shor dekh, teri tou koi noise nai hai
Hum chalay us raah pe wo jo koi chunay nahi
Hum kaam phenkein unka kaam yahan Lun bhi koi sunay nai
That's whatup! (Yeah, yeah)
Small kid Par sunta tha B I G
Kaam top notch jabhi bane akay G
Carry karta 1 ounce lage nakay bhi
Roshniyo ka shehar idher hote fakay bhi
I gotta Story to tell par kisi aur din
Drugs chor betay idher biktey hein Organ
Zameeni khuda bohat idher sab hi hain morgan
Phoolti hain sansaain ye kar nahi sakhte long run
Hum same book pai par Nahi hai same page
Thora time dai meine kar daini game change
Pasiney chootwa daita inka waise Main Stage
Urdu rap mera Ghar mein rakhta isko Vintage
Big time, big watch, big boss Rick Ross
Diss kare 5'4 rapper they are this tall
Sip wine, sick talk, Love karte big dawgs
K town hip hop you never know when shit pops
They might pop or they might not
Bachay inke manay mujhe apna icon
Hangout kay liye hit karte mein kehta bhai kon?
I don't chill with you mein pet nahi karta python
Sab laite shot par mera different hai caliber
Beats pai mai animal, smoke karte cannabis
Roz karte meditate hum roz karte Celebrate
Kechte taangein bhaiyo ki Stable nahi Inki mental state
See a psychiatrist Nahi jaa studio
Hadiya jaga pai karte hum Teri jaise physio
Circle sey bahir tum bharwe tum BT ho
Artist barey nahi bas baray inke video
Murree strong sath fire karne marry Jane
Wave chor laikay atay pura hurricane
Gala mange mera bas Moti chain
Inke beef khatam hojate bas hain story pey

Story pay, bantey G who the realest
Ab One open letter, idhar kholey tere secrets
Baseball bat to the jaw and u're toothless
Mai kr deta offend, nahi hard rakhey feelings
Bus hard rakhey bars, leke jayein seedha mars
I'm that 5'7 guy, like I'm Kendrick Lamar
Ab mai mere OGs tere sarou pay sawaar
Leke aja apnay homies, kre waar dengein scars
Mere upar nahi koi boss mai wou ziddi artist
Ab chayeh nahi label, mai nahi wou needy artist
Bus chayeh saara paisa mujhe mai wou greedy artist
Teri baby ko ghumau haan mai freaky artist
Ab nahi parhta farq mujhey baatou say kal ki
Yaha sab hain jahaaz dikhta ankhon mein sabki
Circle say bahar jou yaha raah chorey haq ki
Karachi meri jaan hum yaha maa chodey sab ki
Awaaz nahi, FL with the key idhar bajay koi saaz nahi
I'm surfing on the beat jese hou yeh mujhe laazmi
Jab urhne ki hou soch tou shaheen ata baaz nahi
Yeh baat nahi hai kaghizi, kay aj bhi, ehssaas nahi
I never played games I was there to console
But u be pushin' buttons, lena chahtay control
Tum dete hi nahi kandha, agar dete hou tou cold
Now im quite as a mouse, making moves on the roll
Ain't no joystick
All the boys stick
Patience rehta thin idhar rehti hai bus voice thick
Mai kafi indecisive tou phir mushkil houti choices
Jab girega yeh single pata lagey what the noise is
Haarega nai beta shareh the G
Pull up on you with a 9 milli animosity it's animosity
Garmi khaye ga tou maray ga bhi
Next time we gon' tax you when you're in our city
Haarega nai beta shareh the G
