

Love

Talisco

I am the sweat, I ride on you
No never ran, I come to you
I barely know your name
I barely knew you baby
I had a minute to get a sign
I had a second to make you mine
As long as you see me
I'll be the lover for a night

Let me fall inside of you
Let me lay you on this way
Let me take it for the night
My lips around your shapes, girl
There's nothing I want more

Love me
I wanna feel, feel
I'am the one
Love
I wanna feel, feel
Love me
I wanna feel, feel
I'am the one
Love
I wanna feel, feel

You like it down on me
Down on me
Down on me babe

Oh, girl
It can go up
Hold me please
Down on you babe

Love me
I wanna feel, feel
I'am the one
Love
I wanna feel, feel
Love me
I wanna feel, feel
I'am the one
Love
I wanna feel, feel

Come on my baby, come on my baby
Come on my baby, come
Come on and make it, come on and make it
Come on and make it, come
Come on my baby, come on my baby
Come on my baby, come
Come on and make it, come on and make it
Come on and make it, come
Come on my baby, come on my baby
Come on my baby, come
Come on and make it, come on and make it

Come on and make it, come

Love me
I wanna feel, feel
I 'am the one
Love
I wanna feel, feel
