

Reign

Talisco

Down in a hole, the reign is coming
This is the line, sing the words
Down in the rain, the feeling is coming
Come around me, here's a sign

Out of the reign
I took a chance
The only chance
I see the game
Out of the reign
And there's no change
I'll offer you up a dream
I'll offer you up the reign
No bloods on you
The reign is come
The only chance

Down in a hole, the reign is coming
This is the line, sing the words
Down in the rain, the feeling is coming
Come around me, here's a sign

Here's a sign
Here's a sign
Here's a sign

Out of the reign

The only chance
I see the game
Out of the reign
And there's no change
I'll offer you up a dream
I'll offer you up the reign
No bloods on you
The reign is come
The only chance

I see the way the wind blow
