

Sorrow

Talisco

Hey
I am alone inside my mind
Alone
I am alone with you
I am alone with you, again

I can't see in your eyes
I can't see in your eyes

This is soooo, soooo, sorrow
This is soooo, soooo, sorrow

Tell me how to lose
Tell me how to lose my blues
I am alone with you inside my mind, alone

I can't see in your eyes
I can't see in your eyes

This is soooo, soooo, sorrow
This is soooo, soooo, sorrow
