

The Race

Talisco

I am in calm
I always have the feeling that I am not in peace
But I am a racer
Wake up in hell
Looking for the fuel
I'm outta here

End up in a Rally race
And Surfer Rosa plays

Catch me now
I'm a rocket in a race
Supersonic in a race
Yeah ooohh

Stop me now
I'm the tiger of the race
A supersonic bomb
Yeah oooh

During the race
I hear the crowds gather and cheer
I'm outta here

Rock down the wrong side
Breaking the sound
I am the game without a blame

End up in a Rally race
And Surfer rosa plays

Catch me now
I'm a rocket in a race
Supersonic in a race
Yeah ooohh

Stop me now
I'm the tiger of the race
A supersonic bomb
Yeah oooh
