

# All Or Nothing

Talisman

enny was a young girl, so innocent and fine  
reaching out to find her dreams, leave it all behind  
armed with the desire, ain't never gonna stop  
gotta beg, steal and borrow, to make it to the top

chorus:

no denying, it's a nervous push and shove  
but one thing that's for sure  
it's all or nothing, no time for rules  
all or nothing, no time for fools  
and while you're fighting for your life  
show no mercy, it's all or nothing, do or die

Jimmy was a gambler, a roller of the dice,  
shooting time and time again, fortune in his eyes,  
forget that killer instinct they all said he would need  
because with him there's pain and pleasure, no choice in  
between  
living for the danger of turning up an empty hand  
but one thing that's for sure
