

## Dangerous

Talisman

I never trust a lover but I believed in u  
& it hurts 2 uncover all your lies

Anger & frustration u took me by surprise  
but I won't let u get away with it

Pre:

Don't look over your shoulder  
cuz, I'm only 1 step behind u

Chorus:

I am dangerous I've got murder on my mind  
I am dangerous & I know that I've been blind

How long did u fake it not that I wanna know  
but how can u deny u done me wrong

Oh I will break your bones the way u broke my heart  
I'll slowly grind them into dust

Repeat Pre

Repeat Chorus

I gotta 1 track mind & I'm  
Comin' after u yea, yea, yea

Solo

Repeat Pre

Repeat Chorus

...& I know, yes I know, that I'm comin' after u  
so don't u turn around, no, no.
