Day By Day

Talisman

I ask myself but I can't explain the way I feel about you
more than anything I've known before what can I do?

Chorus

the night goes on, minute by minute forever
and every day I sit around wondering, where you are
Day by Day i try to make it thru another day
Cause I can't give up hoping I'll find you again oh

Night by night I can't take another sleepless night
if I close my eyes I'm dreaming it's all in vain

You know I can't get you outta my mind
Say you love me then you say you don't
You keep on changing your mind
I won't rest until I hear you say you wanna be mine

Repeat Chorus
