

# U Done Me Wrong

Talisman

dawning wither, you've got me burning  
it's such a critical condition  
all or nothing or so i'm learning  
but it wasn't my decision

chorus:

I can't believe what you're doing to me  
I guessed it from the start, yeah  
you took my love and you threw it away  
now I know, you done me wrong  
stop pretending, there's no reason  
somehow you just were never satisfied  
I was a victim, in your act of treason,  
but now this comes as no surprise

Repeat Chorus 2 times

just close that door as you're walking away  
I won't be a fool no more,  
I'll say it once, and I'll say it again  
now I know, you've done me wrong
