Talking Heads

**Am**                    **Em**  
Gangster of love  
                         **Am**  
Gangster of love  
                         **Em**  
You with the cocktail in your hand  
                         **Am**  
You in your red Mercedes Benz  
                         **Em**  
Goin' in one ear and out the other  
**Am**  
cover up the pain with laughter, baby  
**Em**  
I'm not laughing  
**Am**  
I'm not laughing

**G**  
Hey Al Capone  
**F**  
Is that who you think you are?  
**Em**  
All the girls

All around the world  
                         **D**  
Well, they wanna shake your hand  
**G**  
It won't be long  
**F**  
You'll need an alibi  
**Em**  
A little bird  
Told me what he'd heard  
**D**  
Is it really true?  
                         **Em**  
Gangster of love  
                         **Am**  
Gangster of love

:Em | |Am | :

They're gonna take you for a ride  
And hit you right between the eyes  
You can hear the pretty music playin' well  
listen to the words, they're saying,  
you can hear them calling', hear them calling'

**G**  
Hey, Al Capone  
**F**  
You'll need a bodyguard  
**Em**  
Just like that  
You'll be laid out flat  
**D**

With a broken heart

**G**

I shot you down

**F**

Who's gonna help you now?

**Em**

Valentine's day

Better hope and pray

**D**

They'll be tearing you apart
