

Oslo, oh no
Stand up, get low
No way, no good
Norwegian Wood

Wide awake upon a bed I swear I did not make a wall
I'm prepared to face it anyway
Child's play upon a bed, we roshambo I take it all
You threw rock and I threw paper
I cover it up, cover it up, cover it up, cover it up, cover you
up

Oslo, taking me home
Frigid water man afloat
Dive in, making a friend, making a friend
Picking daisies in the midnight sun
Maybe you will kill someone underneath the midnight sun

Wide awake upon a bed I swear I did not make a wall
I'm prepared to face it anyway
Child's play upon a bed we roshambo I take it all
You threw rock and I threw paper
Cover it up, cover it up, cover it up, cover it up, cover it up
Cover it up, cover it up, cover it up, cover it up, cover it up

I'm prepared to face it anyway
Wide awake upon a bed I swear I did not make a wall
You threw rock and I threw paper
You threw rock and I threw paper
Cover it up, cover it up, cover it up, cover it up, cover you u
p

I can cover it, I can cover it

Cover it up, cover it up, cover it up, cover you up,
I can cover it
Cover it up, cover it up
