

Boy Was I Wrong

Talos

High up, when the undertow, pulled us deep inside
Safe love, safe water, falls all sides, and keeps the reasons
Held up, 'cause the ones we know, walk the bleeding line
Safe love, safe water, fire your heart and keep us breathing

Boy was I wrong
So wrong

High up, in the undertow, full up weakened eyes
Safe love, safe water, falls all sides, keeps the reasons
Held up, 'cause the ones we know, cut their feast in mine
Safe love, safe water, fire your heart and keep us breathing

Boy was I wrong
So wrong
