

Will you contact the sun?
Curl the world when you're done?
Feel our union's silence?
Teach the lightning blindness?

Dragon dust paint the wall
Blow a truth hide a fall
Follow me divided
When the violence
Sidles

Feel alive
Feast
Recognise
Seize
In our wild lungs
Love

Feel alive
Feast
Phasing wildly
Faces all above

There's a star rising up
Sign a fool set it up
I am earth heavy
Broken, bright, ready

Feel alive
Feast
Recognise
Seize
In our wild lungs
Love

Feel alive
Feast
Phasing wildly
Faces all above
