

## Seance

Talos

O deadwater realized in us  
Cruel force deadwater synthesized in us  
Soon we'll force deadwater  
With a feline clutch  
Take it all and fall to dust

Seance of a fire  
Colour your whiteness and then light her  
Call up when you need her  
Follow the weakness and deliver

O deadwater realized in us  
A cruel force deadwater  
See lies in us  
The fool that forced deadwater  
When you'd seen my love  
Say it all and fall to dust

So what was he like?  
What was he like?  
What was he like?  
What was he like?
