

# Heart in My Hands

Tamar Braxton

You left your phone on the sink  
So I grabbed it without thinking  
I would hand it to you as I turned to leave  
Later that night as you sleep  
I was kissing you and we were interrupted by an unfamiliar thing

Ring, ring, ring  
Three o'clock in the morning  
She's looking for you  
That's when I opened up my eyes  
The words filled the room  
I wish I didn't see what she sent to you

Oh, I'm holding your heart in my hands  
Your heart's in my hands  
Oh, I'm holding your heart in my hands  
And I gotta know if it beats for me, oh  
Only me, oh  
Only me, oh  
If it beats for me, oh

Went back and forth with my mind  
Should I say that I don't know?  
Should I stay or should I stand right by this door?  
I shouldn't have but I did  
Sending several messages just to see what she just had to say to him

Ring, ring, ring  
Three o'clock in the morning  
She was looking for you  
That's when I opened up my eyes  
The words filled the room  
I wish I didn't see what she sent to you  
(she sent to you)

Oh, I'm holding your heart in my hands  
Your heart's in my hands  
Oh, I'm holding your  
Heart in my hands  
And I gotta know if it beats for me, oh  
Only me, oh  
Only me, oh  
If it beats for me, oh

I miss you  
I need you  
I can't wait to see you  
I love you  
I want you  
Always thinking of you  
Realize that's what I read  
Feeling this pain in my chest

I hate it  
The way my heart is breaking  
Cause I'm holding my heart in my hands  
My hands, my hands, oh

Does it beat for me, oh  
Beat for me, oh  
Beat for me, oh

Ring, ring, ring
