

# My Forever

Tamar Braxton

When I said I do, I put it on my life that I loved you  
And forever that my vow, boy its true  
Won't let anyone come in between  
You're the one my everything  
I just knew from the way that you hold me  
From the way that you wrap me up in your arms  
Says I'm the only-girl that's how I know its you

Your love feels like no space or time  
Feels like a dream come true  
Cause my forever is you  
No wonderin' who I'll be with  
Its like I've always known who  
Boy my forever is you

Oh, its like you look straight through my soul  
I'm brand new, oh ye-yeah  
Its like we fly away pass the stars and the moon  
And you should know how much you mean  
There is no other man for me  
I choose you-oh, woah  
From the way that you hold me (Baby)  
From the way that you wrap me up in your arms  
(wrap me up in your arms)  
Says I am the only girl  
That's how I know its you  
(That's how I know its you, boy)

Your love feels like no space or time  
Feels like a dream come true  
(dream come true)  
Cause my forever is you  
(my forever is you)  
No wonderin' who I'll be with  
Its like I've always known who  
Boy my forever is you

I use to say that I was done  
Done with love  
But then you came in, and you never let me go  
Now I know, I finally know  
That its you its you

Your love feels like no space or time  
Feels like a dream come true  
(Feels like a dream, oh-oh)  
Cause my forever is you  
No wonderin' who I'll be with  
(Who I'll be with)  
Its like I've always known who  
(Always known you bae)  
Boy my forever is you  
(My forever is you)

You, you, you  
You, you, you  
Yeah

Cause my forever is you baby
