Tamar Braxton

Ay yo, see I'm your next girl  
Not your ex-girl boo, uh  
Don't get it twisted  
Don't never disrespect me

Oh, oh, yeah, yeah  
Oh, oh, oh, oh yeah (Uh, uh, uh)  
Don't, don't you ever compare me  
To none of those hoes you used to mess with

Cause those are some low down dirty tricks  
And now you be working with some new shit  
I'll be the mother of your baby  
If you bring me down I can handle it (Uh-huh)  
Cause I'm not like those other ladies (Uh)  
None of them hoes you be fucking with

I'm not your hoe  
I'm not your freak  
I'm not your trick

Like them chickens you be playing with (Uh-huh)  
Cause I am more than a lady  
And those the type of chicks who be dirty shit  
They look at you lying and persuading  
You play innocent believe it (Uh-huh)  
Cause I'm not like those other ladies (Say, say what?)  
None of the chicks you be fucking with (Uh)
