

# The Way It Should Be

Tamar Braxton

That feels so good

You know that I do love you babe  
But I don't want to rush it babe  
Today I wanna hold you  
Tomorrow I will give you more, yeah  
I wanna take my time with you  
So I can make it right with you  
That's how it used to be  
I only wanna give you more, like when

When love was love  
When a kiss was a kiss  
That's what I miss  
And that's the way it should be  
When a man was a man  
When forever was a plan  
And people still hold hands  
And that's the way it should be

I wanna take long walks with you  
And share all of my thoughts with you  
I wonder how you see your dreams  
Cause I see all my dreams in you, oh baby

Remember nights that we never met  
Creeping in with love when we were friends  
I wish we could bring back  
Those day when we were friends

(2x):

When love was love  
When a kiss was a kiss  
That's what I miss  
And that's the way it should be  
When a man was a man  
When forever was a plan  
And people still hold hands  
And that's the way it should be

I want you baby (oh, oh)  
When love was love  
When a kiss was a kiss  
That's what I miss

Tell that you belong to me  
Make me secure?  
Hold me at night  
Take my troubles away  
I wish we could go back to the days when

(2x):

When love was love  
When a kiss was a kiss  
That's what I miss  
And that's the way it should be  
When a man was a man

When forever was a plan  
And people still hold hands  
And that's the way it should be

(Ooh) When you love me  
When you hold me  
When you love me
