

# Borderline

Tame Impala

Gone a little far  
Gone a little far this time for somethin'  
How was I to know?  
How was I to know this dark emotion?

We're on the borderline  
Caught between the tides of pain and rapture  
Possibly a sign  
I'm gonna have the strangest night on Sunday

There I go  
Quite a show for a loner in L.A.  
Asking how I managed to end up in this place  
And I couldn't get away

We're on the borderline  
Dangerously far and all forgiven  
There's gonna be a fight  
Gonna be a price to pay on Monday  
(If you and I get comfortable)

We're on the borderline  
(On the borderline)  
Caught between the tides of pain and rapture  
Then I saw the time  
(Then I saw the time)  
Watched it speedin' by like a train  
Like a train

Will I be known and loved?  
Is there one that I trust?  
Starting to sober up  
Has it been long enough?

Will I be known and loved?  
Little closer, close enough  
I'm a loser, loosen up  
Set it free, must be tough

Will I be known and loved?  
Is there one that I trust?  
Is there room, room for doubt?  
As within, as without you

Will I be so in love?  
Getting closer, close enough  
Shout out to what is done?  
R.I.P., here comes the sun

Here comes the sun

Gone a little far  
Gone a little far this time with somethin'  
How could I have known?  
How was I to know this life get no shame?

I said, "Come with me outside

I need to clear my mind  
This weight is crashing  
Do you see the light  
Oh, coming from their eyes?  
Oh, no.  
And I couldn't get away."

We're on the borderline  
Gets me every time  
These close encounters  
Just to know I can  
(Just to know I can)  
Once again I am alone

Will I be known and loved?  
Is there one that I trust?  
Starting to sober up  
Has it been long enough?

Will I be known and loved?  
Little closer, close enough  
I'm a loser, loosen up  
Set it free, must be tough

(I was fine without ya)

Will I be known and loved?  
L.A. really messed me up  
And it isn't cut and dry  
Conversation. Well, I tried

(I was fine without ya)

Will I be? Stay right here  
Any closer, bad idea  
Shout out to what is done?  
R.I.P., here comes the sun

(I was fine without ya)

Will I be known and loved?  
Is there one that I trust?  
Starting to sober up  
Has it been long enough?
