

Dracula

Tame Impala

The morning light is turning blue, the feeling is bizarre
The night is almost over, I still don't know where you are
The shadows, yeah, they keep me pretty like a movie star
Daylight makes me feel like Dracula

In the end I hope it's you and me
In the darkness I would never leave
You won't ever see me in the light of day
It's far too late
The time has come

I'm on the verge of caving in, I run back to the dark
Now I'm Mr. Charisma, fucking Pablo Escobar
My friends are saying "Shut up, Kevin, just get in the car"
I just wanna be right where you are
Oh, my love

In the end I hope it's you and me
In the darkness I would never leave
We both saw this moment coming from afar
Now here we are

Run from the sunlight, Dracula
Run from the sunlight, Dracula
Run from the sunlight, Dracula
Isn't the view spectacular?

But please
Do you think about what it might mean?
'Cause I dream about you in my sleep
Would you ever love someone like me?
Like me?

In the end I hope it's you and me
In the darkness I would never leave
We both saw this moment coming from afar
Now here we are

So run from the sunlight, Dracula
Run from the sunlight, Dracula
Run from the sunlight, Dracula
Isn't the view spectacular?
Run from the sunlight, Dracula
Run from the sunlight, Dracula
Isn't the view spectacular?
Run from the sunlight, Dracula
Run from the sunlight, Dracula
Isn't the view spectacular?
