

# Carry On

Tamela Mann

Lord, I'm here, can I be honest?  
I'm not over the last thing  
It gets hard to hold on to what you've promised  
I trust there's a blessing, if I keep pressing

You won't give me more than I can handle  
And whatever I can't do, I can give it to you  
When I feel like all my strength is gone  
You carry me, so I can carry on

Let your past hear the sound of your feet on the ground  
Carry on, carry on, carry on  
Like Christ did the cross so our souls won't be lost  
Carry on, carry on, carry on  
Carry on  
Keep on moving  
Carry on  
You can do it, just keep on moving  
Carry on

Lord you give and you take away  
I choose your path I know you're with me  
If alone is where you want me then I'll go  
Goodness and mercy I know shall follow me

You won't give me more than I can handle  
And whatever I can't do, I can give it to you  
When I feel like all my strength is gone  
You carry me, so I can carry on

Let your past hear the sound of your feet on the ground  
Carry on, carry on, carry on  
Like Christ did the cross so our souls won't be lost  
Carry on, carry on, carry on  
Carry on  
Keep on moving  
Carry on  
You can do it, just keep on moving  
Carry on

You ain't gotta be fast  
You ain't gotta be first  
You just gotta endure  
Keep movin'  
Got a lot more strength  
Stronger than you know  
This is not the end  
Keep movin'

You ain't gotta be fast  
You ain't gotta be first  
You just gotta endure  
Keep movin'  
Got a lot more strength  
Stronger than you know  
This is not the end  
Keep movin'

Keep movin', keep movin'  
Keep movin', carry on  
Keep movin', keep movin'  
Keep movin', carry on

Hold on, I won't let go  
Carry on, carry on, carry on  
Hold on, I won't let go  
Carry on, carry on, carry on

Keep movin', keep movin'  
Keep movin', carry on  
Keep movin', keep movin'  
Keep movin', carry on  
Keep movin', keep movin'  
Keep movin', carry on  
Keep movin', keep movin'  
Keep movin', carry on
