I am determined
To make no decisions
Whatever is coming
Lord, I'll follow Your leading
I will say yes, Lord
I'll say yes, Lord
In every season
You're my provision
When I can't see You
Help me to trust You
My final answer is yes

I will say yes, Lord (You have my permission)
I'll say yes, Lord (You can do what You want to do)
In every season (You have my will)
You're my provision (You can move how You want to move)
When I can't see You (When I can't see You)
Help me to trust You (Help me to trust You, Lord)
