

Forever

Tamela Mann

Wanna know how long I'll love you
I'll answer for a lifetime
The one who gave his only son for me
I can not repay you
But I'll spend my whole life trying
Tryna match your energy
I just wanna match your energy

How long will I love you?
Forever
How long will I love you?
Forever
How long will I love you?
Forever
That's how long I'll love you

Life is filled with swift transitions
At times we're dealt a losing hand
Trust in him, he'll not leave you
Forever by your side he'll stand
Forever by your side he'll stand

How long will I love you?
Forever
How long will I love you?
Forever
How long will I love you?
Forever
That's how long I'll love you

How long will I love you?
Forever
How long will I love you?
Forever
How long will I love you?
Forever
That's how long I'll love you

How he loves me so much
This kinda love I've never known
How he loves me so much
How he never, never let me go

Lord I love you, Lord I love you
Lord I love you, yes I love you
Lord I love you, Lord I love you
Lord I love you, yes I love you

Lord I love you, Lord I love you
Lord I love you, yes I love you
Lord I love you, Lord I love you
Lord I love you, yes I love you

I love, I love, I love, I love
I love, I love, I love, I love
Yes I am, yes I am
I love, I love, I love, I love

I love, I love, I love, I love
I love, I love, I love, I love
Yes I am, yes I am
I love, I love, I love, I love

He loves me, he loves me
He loves me, he loves me

I love, I love, I love, I love
I love, I love, I love, I love
Yes I am, yes I am
I love, I love, I love, I love

I love, I love, I love, I love
I love, I love, I love, I love
Yes I am, yes I am
I love, I love, I love, I love
