

He Did It For Me

Tamela Mann

Sitting here thinking 'bout where I am now
And I'm where I'm supposed to be
In the middle of His will
I believe, I believe

Some people try to tell me I'm not worthy
Of my destiny
But I'm so glad they didn't give it to me

They were not there when I cried
Lord, I need your help
And You replied
I'm taking care of this myself, myself

Ways being made out of no way
He's doing it, He's doing it for me
The change you see, in me today
He's doing it, doing it

When they ask me how I made it through
I can say You came to my rescue
This victory points back to you
God did it, He did it for me

Not saying I deserve it all
Just saying, I heard His call
No matter what you see, He believes in me
He chose me
The gifts He gave me are not easy
To carry
I often wonder why He gave 'em to me

They did not hear when I cried
Lord, I need your help
And You replied
I'm taking care of this myself, myself

The ways
Ways being made out of no way
He is doing it for me
The change you see in me today
He is doing it for me
When they ask me how I made it through
I'm glad You came to my rescue
This victory points back to You
God did it
Did it
Did it
Did it
Did it
Did it, oh

He did it for me
