Overcomer

Tamela Mann

I been crying day and night (Yeah, yeah)
Lord, help me see the light (Yeah, yeah)
I'm so worried, I'm so tired (Yeah, yeah)
A little peace, all I desire (Yeah, yeah)

There's so much drama in the world today
So much corruption, I can't see my way
But I refuse to let it take me (No, no)
Won't self-destruct, won't let it break me

But sometimes I feel like giving up
Feel like giving in
I don't wanna go on, I want it to end
I'm so tired of the circle I'm in
I need an escape, God, I need an escape, God

And I know you died for all of my sins
And there's a reason for the mess that I'm in
And I'm ready, God, for all of my wins
'Cause I'm an overcomer, I'm an overcomer

Overcomer, Overcomer, Overcomer, I'm a (Woo)
Overcomer, Overcomer, Overcomer, I'm a
Overcomer, Overcomer, Overcomer, I'm a
I'm gonna overcome (Yes, I am)
Yes, I am (Yes, I am)

I'm just gon' keep on stepping (Stepping)
Into my promises (Promises)
'Cause I made it this far (Made it this far)
And I won't let no scars (Won't let no scars)
Make me miss my promises

I'ma stop making excuses (Yeah, yeah)
I'ma get right up and do it (Do it)
Yeah, it's time for me to prove it
I don't wanna work this hard for me to lose it

But sometimes I feel like giving up
Feel like giving in
I don't wanna go on, I want it to end
I'm so tired of the circle I'm in
I need an escape, God, I need an escape, God

And I know you died for all of my sins
And there's a reason for the mess that I'm in
And I'm ready, God, for all of my wins
'Cause I'm an overcomer, I'm an overcomer

Overcomer, Overcomer, Overcomer, I'm a
Overcomer, Overcomer, Overcomer, I'm a
Overcomer, Overcomer, Overcomer, I'm a
I'm gonna overcome (Yes, I am)
Yes, I am (Yes, I am)

I'm an overcomer (Do you believe that you can overcome?)
You an overcomer (Do you believe that you can overcome?)

We're all overcomers ('Cause I believe that I can overcome)
Yes, I can, yes, I can

Do you believe that you can overcome? (Oh)
Do you believe that you can overcome? (What you say?)
'Cause I believe that I can overcome
Yes I can, yes I can

But sometimes I feel like giving up
Feel like giving in
I don't wanna go on, I want it to end
I'm so tired of the circle I'm in
I need an escape, God, I need an escape, God

And I know You died for all of my sins
And there's a reason for the mess that I'm in
And I'm ready God, for all of my wins
'Cause I'm an overcomer

Overcomer, Overcomer, Overcomer, I'm a
Overcomer, Overcomer, Overcomer, I'm a (Hey Lord, walk me to victory)
Overcomer, Overcomer, Overcomer, I'm a
I'm gonna overcome (Yes, I am)
Yes, I am (Yes, I am)

Overcomer, Overcomer, Overcomer, I'm a (Yeah)
Overcomer, Overcomer, Overcomer, I'm a (Good God Almighty)
Overcomer, Overcomer, Overcomer, I'm a
I'm gonna overcome (Yes, I am)
Yes, I am (Yes, I am)
Hey
