Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah

And I don't ever wanna think I can make it without You

You are my source (Yeah, yeah, yeah)  
You are my source (Yeah, yeah, yeah)  
You are my source (Yeah, yeah, yeah)  
Yeah, yeah

I don't ever wanna think I can make it without You

Who would ever think  
To make the grass green  
And put birds in the trees  
That make the air I breathe  
I don't know how or why  
You drop water from the sky  
And You called it rain  
You called it rain  
Put water on the earth  
Then breathe life into dirt  
And made it look like You  
Yeah You made us look like You  
There will never be  
A greater human being  
Than Your son who died for me

And I don't wanna think I can do this on my own  
Yeah, yeah  
And I don't ever wanna think I can do this on my own  
Yeah, yeah, yeah  
And I don't ever wanna think I can do this on my own  
Yeah, yeah, yeah  
I realize I'm nothing on my own  
I don't ever wanna think I can do this on my own  
Can't do this on my own

I know that I'm not perfect  
But I know where my help comes from  
It comes from You  
Oh Lord, You are my source  
Creator of all  
You're the only one I call  
I call on You

Oh Lord You are my source (You are my source)  
You are my source (You are my source)  
Oh I believe (You are my source)  
That whatever I need (You are my source)  
You are my King (You are my source)  
When I think I'm going crazy (You are my source)  
You are my hope (You are my source)  
When I think I can't make it (You are my source)  
So forever (You are my source)

You will always be (You are my source)  
You are my strength (You are my source)  
You are my source

I can't do it on my own  
Oh, Lord, I can't do it on my own  
I realize I'm nothing

And I don't ever wanna think I can do this on my own
