

Stretch

Tamela Mann

I've come to get my blessing
I've gotta get my breakthrough
The power of my praise
Gives me strength so I can press on through

So I gotta stretch
Stretch forth, reaching for my blessing
So I gotta press
Press forth, reaching for my blessing

(Gotta get my) gotta get my blessing
(I believe he'll work a) miracle
The power of my praise
Give me strength so I can press on through

(So I gotta) Stretch
Stretchin for it, reaching for my blessing Oh-Oh
Stretchin for it, reaching for my blessing
Stretchin for it, reaching for my blessing
Oh-Oh

I'm still believing for my miracle my faith says
It's special it's marvelous and it's wonderful-wonderful

Reach for it The mark, the prize, the higher calling
Move towards it The mark, the prize, the higher calling
Stretch for it The mark, the prize, the higher calling
Leap for it The mark, the prize, the higher calling
Yes, Gotta get my blessing The mark, the prize, the higher calling
It's mine, gotta get my blessing The mark, the prize the higher calling
Yes, I gotta get my blessing [continue to end]
