

No Lie

Tamia

You've been working hard, baby
It's been keeping us apart, lately
I told you from the start, I'll hold you down, oh

Cause when our bodies get together (oh, yeah)
Anything for your pleasure (oh, yeah)
Cause no one does it better (oh, yeah)
Need, tell me what you need

Oh you know I don't mind, giving you all I got
Cause baby you're mine, my love, my love
The only thing that matters is you and I
See you don't have to question my heart
I'll be loving you for a time, no lie

I wanna let you know, right now
I'm giving you a show, light's out
Watch me put it down, all through the night, oh

Cause when our bodies get together (oh, yeah)
Anything for your pleasure (oh, yeah)
Cause no one does it better (oh, yeah)
Need, tell me what you need

Oh you know I don't mind, giving you all I got
Cause baby you're mine, my love, my love
The only thing that matters is you and I
See you don't have to question my heart
I'll be loving you for a time, no lie, oh

Come on, only plan tonight, is to show you how much I miss you
Gonna do you right, no lie, you know you can't deny
A love like this you know is hard to find
Come on, only plan tonight, is to show you how much I miss you
Gonna do you right, no lie, you know you can't deny
A love like this you know is hard to find

Oh you know I don't mind, giving you all I got
Cause baby you're mine, my love, my love
The only thing that matters is you and I
See you don't have to question my heart
I'll be loving you for a time, no lie, oh

I'm just being honest, no lie
I'm just being honest baby
I'm making you this promise
I'm just being honest baby
I'm just being honest, no lie
I'm just being honest baby
I'm making you this promise
I'm just being honest baby
