

# Too Grown

Tamia

I don't like it, I don't like it man  
When every dude in the club tryna grab my hand  
I don't like it when I'm walking by  
You tryna say something sick 'cause I'm looking fly  
I don't like it when you calling out my name  
And get mad 'cause I said no to your drink  
Why can't you just let me breathe?  
Enjoy the music, get off of me, you  
You make me wanna pull my hair out  
You're the reason that I don't like going out  
Stand here kickin' that madness out your mouth  
I'm too grown for that, I'm too grown for that  
You make me wanna pull my hair out  
You're the reason that I don't like going out  
I'm too grown for that, too grown for  
I'm just too grown for that, too grown for that  
I don't like it when you're standing by me  
And you tryna sneak over and stand behind me  
I don't like it when you step on my feet  
'Cause you dancing all hard to them Darkchild beats  
I don't like it when you pullin' on me  
Talkin' 'bout, ?Can I get you in VIP?  
Why can't you just let me breathe?  
Enjoy the music, get off of me, you  
If I didn't have to I  
I wouldn't even be here  
Because I don't mean that, that I  
Want you all up in my ear  
Just in case you didn't hear me  
I'm a say this once more clearly  
Why don't you just give it up?  
I'm not gettin' in your truck  
Boy, you make me wanna  
You make me wanna pull my hair out  
You're the reason that I don't like going out  
Stand here kickin' that madness out your mouth  
I'm too grown for that, I'm too grown for that  
You make me wanna pull my hair out  
You're the reason that I don't like going out  
I'm too grown for that, too grown for  
I'm just too grown for that, too grown for that  
You say you wanna take me to islands, I did that  
Say you wanna lace me with diamonds, I got that  
Say you wanna make me a star but I am that  
When you gonna come with some new game  
Say you gonna buy up the bar, I don't drink that  
Wanna get me a new car, ooh, yeah  
I'm too grown for that, too grown  
Just too grown for that, yeah  
You make me wanna pull my hair out  
You're the reason that I don't like going out  
Stand here kickin' that madness out your mouth  
I'm too grown for that, I'm too grown for that  
You make me wanna pull my hair out  
You're the reason that I don't like going out  
I'm too grown for that, too grown for  
I'm just too grown for that, too grown for that

You make me wanna pull my hair out  
You're the reason that I don't like going out  
Stand here kickin' that madness out your mouth  
I'm too grown for that, I'm too grown for that  
You make me wanna pull my hair out  
You're the reason that I don't like going out  
I'm too grown for that, too grown for  
I'm just too grown for that, too grown for that
