

You Are Loved

Tamia

You are loved
You are loved
You are loved
Because you're mine, oh
You are loved
You are loved
You are loved
Because I love you, I do

There's something I want you to know
Whenever you're feeling alone
Always remember this song
I, I love you, I do

Each time you break down and cry
Look deep inside and you'll find
Lift up your head and realize
I love you, I do

'Cause you are loved
Now you, you are loved
You are loved
Because you're mine, oh, say

I am loved (So loved) Say it
I am loved (So loved)
I am loved
And I love you

I know you feel alone
We all have times when we feel alone
Even when everyone is around us
We still sometimes feel alone
But you are not alone
You are not alone
You are loved
