

## Better Off Broken

Tammy Cochran

Single-sided conversations; too much time spent alone.  
Even though my heart is breaking, you don't even know.  
Today, I was thinking about us; what I'd do without you.  
I was lost in reflection when I found the truth.

Can't think of one reason  
To try and find a way to make this work.  
Through crying, through denying.  
Tired of pretending I don't hurt.  
So, I've been thinking:  
Maybe my heart's better off broken.

Sometimes staying is the easy way out.  
But, I can't ignore this pain.  
Made up my mind to get it over now,  
'Cause you're not gonna change.

Can't think of one reason  
To try and find a way to make this work.  
Through crying, through denying.  
Tired of pretending I don't hurt.  
So, I've been thinking:  
Maybe my heart's better off broken.  
Better off broken.

Can't think of one reason  
To try and find a way to make this work.  
Through crying, through denying.  
Tired of pretending I don't hurt.  
So, I've been thinking:  
Maybe my heart's better off broken.  
Better off broken.
