

# You Got Me Worryin'

Tampa Red

I have a tendency to keep a-worryin'  
No matter where I am or go  
And it's all because  
You say you don't want me no mo'  
No mo'

You've got me cryin'  
You've got me sighin'  
You've got me tellin' folks that never knew  
How much you've got me worryin', bout you

Sun don't seem to shine, no mo'  
Because of the rain  
My birdie's lovely song  
Don't even sound the same

I try to sing, I try to dance  
But when I find myself, I'm in a trance  
'Cause you got me  
Pretty worried 'bout you

'Yeah! Get it now, little low'

Sun don't seem to shine, no mo'  
Because of the rain  
My birdie's lovely song  
Don't even sound the same

I try to sing, I try to dance  
But when I find myself, I'm in a trance  
'Cause you've got me  
Yes, you've got me  
An I'm worrin' bout you.
