

FACE

Tamta

Are you looking for thrills
Or just a pretty face?
Are you done with the pills
Are tracking the trace?
Got a reputation
Hush, hush, don't say
Are you looking for thrills
Or just a pretty face?

Looking for, looking for, looking for, looking for, looking for
Looking for, looking for, looking for, face
Looking for, looking for, looking for, looking for, looking for
Looking for, looking for, looking for, face

Looking for, looking for, looking for, looking for, looking for
Looking for, looking for, looking for, face
Looking for, looking for, looking for, looking for, looking for
Looking for, looking for, looking for, face

Are you looking for thrills
Or just a pretty face?
Are you done with the pills
Are tracking the trace?
Got a reputation
Hush, hush, don't say
Are you looking for thrills
Or just a pretty face?

Looking for, looking for, looking for, looking for, looking for
Looking for, looking for, looking for
Looking for, looking for, looking for, looking for, looking for
Looking for, looking for, looking for, face
