Freestyler, rock the microphone  
Straight from the top of my dome (straight from the top of my dome, freestyl  
er)  
Freestyler, rock the microphone  
Straight from the top of my dome  
Rock the microphone  
F-f-f-f-f-freestyler, rock the microphone  
C-c-c-carry on with the freestyler

We got the floor go on  
We gotta play this room  
We have to move the world  
Before the night is born  
Before the building's torn  
We dancing through the storm

Freestyler, rock the microphone  
Straight from the top of my dome

We gotta play this role  
We have to move the world  
Before the night is born

We dancing through the storm

Styles, steelos, we bring many kilos  
So you could pick yours, from the various  
Ambitious, nutritious, delicious, delirious or vicious  
Just tell us, we deliver anything (we dancing through the storm)  
From acappellas to best sellers, suckers get jealous  
But they're soft like marshmallows, you know they can't handle us  
Like Debbie does Dallas, yeah, we so scandalous  
So who the fuck is Alice, she from the Buckingham Palace?

Carry on, with the freestyler
