

# Hold On

Tamta

You're right on my mind  
And you know that I can't stand it  
Said you've changed, said you'd say it  
And I still thought that you meant it

Well you don't, no no  
And I just can't go on without your love, no no  
And I just can't go on without you

I just can't go on  
I just can't go on without you  
I just can't go on  
I just can't go on

Need your love in the sunlight, hold on  
Need your love in the midnight, hold on  
Can't go on, can't move on  
Your love is gone, hold on  
Need your love in the sunlight, hold on  
Need your love in the midnight, hold on  
Can't go on, can't move on  
Your love is gone, hold on

Been around, give me time  
And you know that I will make it  
Said it twice, still I'm here  
Knowing that you know I meant it

Well you don't, no no  
And I just can't go on without your love, no no  
And I just can't go on without you

Need your love in the sunlight, hold on  
Need your love in the midnight, hold on  
Can't go on, can't move on  
Your love is gone, hold on  
Need your love in the sunlight, hold on  
Need your love in the midnight, hold on  
Can't go on, can't move on  
Your love is gone, hold on

Need your love  
Need your love

I just can't go on  
I just can't go on without you  
I just can't go on  
I just can't go on without your love

Need your love in the sunlight, hold on  
Need your love in the midnight, hold on  
Can't go on, can't move on  
Your love is gone, hold on  
Need your love in the sunlight, hold on  
Need your love in the midnight, hold on  
Can't go on, can't move on  
Your love is gone, hold on
