

## My Zone

Tamta

Flex in my zone  
Sing it  
Better leave me alone  
All on my own  
Better, better give me my throne  
Queen of the day  
Livin' the night of my life  
Slay  
Bitch Imma stayin' alive

Flex in my zone  
Sing it  
Better leave me alone  
All on my own  
Better, better give me my throne  
Queen of the day  
Livin' the night of my life  
Slay  
Bitch Imma stayin' alive

I've been up  
I've been high  
I've been all around  
I've been down  
I've been trapped  
I was lost and found  
Never gone  
Boogie zone  
Bitch get out the way  
I've been drunk  
Drinks on me  
Cause I love to pay

Look at me now  
Sippin' champagne on my way  
Rock in my zone  
Dangerous life all the way  
Slay

Flex in my zone  
Sing it  
Better leave me alone  
All on my own  
Better, better give me my throne  
Queen of the day  
Livin' the night of my life  
Slay  
Bitch Imma stayin' alive

Flex in my zone  
Sing it  
Better leave me alone  
All on my own  
Better, better give me my throne  
Queen of the day  
Livin' the night of my life  
Slay

Bitch Imma stayin' alive

One more time  
No sublime  
Ain't about the fame  
Never changed  
It's my game  
They all know my name  
Bitch I'm hot  
Won't just stop  
You can't judge me now  
Let me roll  
Lose control  
Moving round and round

Look at me now  
Sippin' champagne on my way  
Rock in my zone  
Dangerous life all the way  
Slay

Flex in my zone  
Sing it  
Better leave me alone  
All on my own  
Better, better give me my throne  
Queen of the day  
Livin' the night of my life  
Slay  
Bitch Imma stayin' alive

Flex in my zone  
Sing it  
Better leave me alone  
All on my own  
Better, better give me my throne  
Queen of the day
