Tamta

You've got a problem, 2AM I'm in your head  
Let's just be honest tonight, yeah  
Only I can solve it  
You're twisting, turning in your bed  
Them sheets need my body tonight

That's when you call me, that's when you call me  
Say you're feeling lonely  
Early in the morning, early in the morning  
Time is moving slowly  
We keep it undercover  
I know you miss the taste  
My heart beats like an 808

You need my love on replay  
Replay, replay, replay, yeah  
You need my love on replay  
Replay, replay, replay, yeah

You're stuck on me darlin'  
Like a love song on repeat  
Yeah, you've got a problem, alright, yeah yeah  
And I know I'm the one to blame  
Because I make you scream my name  
And baby, I'm all in tonight, mmm

That's when you call me, that's when you call me  
Say you're feeling lonely  
Early in the morning, early in the morning  
Time is moving slowly  
We keep it undercover  
I know you miss the taste  
My heart beats like an 808

You need my love on replay  
Replay, replay, replay, yeah  
You need my love on replay  
Replay, replay, replay, yeah

And I know I'm the one to blame  
'Cause I make you scream my name  
Baby, I'm all in tonight, mmm yeah  
That's when you call me, that's when you call me

That's when you call me, that's when you call me  
Say you're feeling lonely  
Early in the morning, early in the morning  
Time is moving slowly  
We keep it undercover  
I know you miss the taste  
My heart beats like an 808

You need my love on replay (You need my love)  
Replay, replay, replay, yeah (Yeah, yeah)  
You need my love on replay
